

The holiday cottage is situated in the house of the owner, a renewed farm, in ecological materials and heating, in the small village of Vulmix situated at 1, 5 km from Bourg St Maurice, and at 10 mn of driving from the funicular which conduces to the resort: "Les Arcs".

The winter, the holiday cottage is ideal to live an amazing snow week, spending finally less money than a stay in a resort. You can indeed go to several sites and discover various resorts as "Les Arcs", "La Rosière", or "Sainte Foy en Tarentaise" (the smallest resort of the Tarentaise mountain but absolutely not the less friendly one). You can even reach Italy by skiing meadows of the Mont Blanc. You can also plan a day to make a hike in racket (snowshoes) or in ski touring departing from the holiday cottage.

The summer, you can practice hiking in the "Vanoise" national park and among the "Mont Blanc", and water sports with the cottage owner (kayaking, canyoning, rafting), ice races, riding bike on the road and in backcountry, paraglider and a lot of possibilities to walk on the tracks around the cottage.

The price includes:

- The use of the holiday cottage from your arrival at 5:00 pm until the next Sunday at 10:00 am.
